

STATEN ISLAND ACADEMY

Strategic Priorities

2025-2028

PROGRAM

- Partner with colleges and universities to establish collaborative academic programs
- Establish programs that include internships, speakers, alumni, and parent connections
- Study the full community impact of the Patrick Academic Resource Center
- Develop Curriculum to support educational innovation
- Explore the addition of a residential program

PLANT

- Engage with an architect to conduct a comprehensive facilities campus master plan including enhancing security

PEOPLE

- Study additional transportation options to enhance accessibility both on and off Island
- Add personnel to the Admissions and Development Offices
- Establish a comprehensive and transparent salary structure for employees

FINANCE

- Create a five-year financial plan that supports the strategic plan
- Create a comprehensive net tuition revenue plan
